EXPERIENCE

Software Developer - Havenly

Mar 2015 - Nov 2015 | Denver CO / Remote

Havenly is an online interior design company whose mission is to create beautiful rooms for affordable prices. I was a key player in a complete rewrite of our old site into a beautiful, functional and scalable application.

Developer - By the Pixel

Mar 2013 - Feb 2015 | Lakewood CO

By the Pixel is a digital agency that offers web solutions to small businesses. At this company, I worked primarily as a back end developer on projects ranging from small ecommerce sites to large practice management software.

Intern - Colorado Women's Hall of Fame

Feb 2013 - May 2013 | Denver CO

Assisted in the redesign of the site and helped move old site content into the new CMS.

EDUCATION

UX Designer Course - CareerFoundry

Dec 2015 - Feb 2016 | Online

Full time, 3 month UX program. Project based learning focused on user research, prototyping, usability testing and visual design.

Non-degree Seeking Student - Red Rocks Community College

2012 - 2013 | Lakewood CO

Classes in Computer Science, Web Languages and Web Design

BA in Psychology - Metropolitan State University of Denver

2006 - 2011 | Denver CO

Graduated 2011
