EXPERIENCE

Software Developer - Havenly

Mar 2015 - Nov 2015 | Denver CO / Remote

Havenly is an online interior design company whose mission is to create beautiful rooms for affordable prices. As part of a very small development team, I contributed to a complete rewrite of our application and was able to influence the design and UX of the features I owned.

Developer - By the Pixel

Mar 2013 - Feb 2015 | Lakewood CO

By the Pixel is a digital agency that offers web solutions to small businesses. I worked on projects ranging from small e-commerce sites to large practice management software. I was able to interface directly with stakeholders and assist in the design of new features.

Intern - Colorado Women's Hall of Fame

Feb 2013 - May 2013 | Denver CO

Assisted in the redesign of the Women's Hall of Fame site and helped move content into the new CMS.

EDUCATION

UX Designer Course - CareerFoundry

Dec 2015 - Feb 2016 | Online

Worked independently to design a project management application from conception to visual design, utilizing user research, prototyping, and usability testing throughout my design process.

Non-degree Seeking Student - Red Rocks Community College

2012 - 2013 | Lakewood CO

Classes in Computer Science, Web Languages and Web Design.

BA in Psychology - Metropolitan State University of Denver

2006 - 2011 | Denver CO

Studies emphasized cognitive psychology and behavioral research methods.
